

SCIENTIFIC INTELLIGENCE COMMITTEE

26 SEP 1974

MEMORANDUM FOR: SIC Members and Alternates

SUBJECT: Subcommittee Appointments

1. After our discussions on the subject, I have decided on the following individuals to chair the Subcommittees established under our new charter:

Priorities and Resources Subcommittee -
Dr. Anthony J. Cacioppo
Production Program Evaluation Subcommittee -
Captain John W. Johnston, USN
Collection Program Evaluation Subcommittee -
Mr. Arthur L. Shef

2. I ask each member to forward to each Subcommittee Chairman as soon as possible the names of individuals to serve on the Subcommittees. Committee members, alternates, or other qualified intelligence officers are eligible. I remind you that not every member necessarily must be represented on each Subcommittee but should participate only in those where a meaningful contribution can be made. As we have discussed, all substantive Subcommittee actions will come before the parent Committee for final approval.

3. I thank the new Subcommittee Chairmen for accepting these new responsibilities and ask each member and alternate to support their activities.
